Upcoming Briefing for Congressional Staff on EPA in Dimock -- There is a briefing tentatively scheduled for April 2, 2012, to brief House Energy and Commerce, House Science and Technology, and Senate Environment and Public Works staff on EPA's activities and findings to date in the Dimock, PA, groundwater sampling effort. The Pennsylvania Liaison will also look to set up a briefing for Congressman Marino's (R-PA) staff in a separate call on the same day. (Jennie Saxe, 215-814-5806; Pamela Janifer, OCIR, 202-564-6969)
